MANAGEMENT INFORMATION CIRCULAR

(as at June 7, 2019, except as indicated)

This Information Circular is furnished in connection with the solicitation of proxies by or on behalf of the management of Evrim Resources Corp. (the “**Company**”) for use at the annual and special general meeting (the “**Meeting**”) of shareholders (the “**Shareholders**”) of common shares (the “**Shares**”) of the Company to be held on Tuesday, July 16, 2019, at 10:00 a.m. (Vancouver time) at the head offices of the Company located at 910 - 850 West Hastings Street, Vancouver, British Columbia, V6C 1E1 and at any postponement(s) or adjournment(s) thereof for the purposes set forth in the Notice of Meeting.

This Information Circular and all proxy-related materials are being sent to Shareholders using the “notice-and-access” mechanism (“**Notice and Access Provisions**”) under National Instrument 54-101 *Communication with Beneficial Owners of Securities of a Reporting Issuer* (“**NI 54-101**”) and National Instrument 51-102 *Continuous Disclosure Obligations*, for distribution of Meeting materials to registered and beneficial registered shareholders.

All costs of this solicitation will be borne by the Company. In addition to the solicitation of proxies by mail, directors, officers, employees and agents of the Company may solicit proxies personally, by telephone or by email. Employees will not receive any extra compensation for such activities.

1. APPOINTMENT OF PROXYHOLDER

The purpose of a proxy is to designate persons who will vote the proxy on a Shareholder’s behalf in accordance with the instructions given by the Shareholder in the proxy. The persons named as proxyholder in the accompanying form of proxy were designated by the management of the Company (each a “**Management Proxyholder**”). **A Shareholder desiring to appoint a person or company other than a Management Proxyholder to represent the Shareholder at the Meeting may do so either by inserting the name of that other person or company in the blank space provided in the accompanying form of proxy or by completing another suitable form of proxy.** A person or company appointed as a proxyholder need not be a Shareholder. All completed proxy forms must be deposited with Computershare Investor Services Inc. (“**Computershare**”), Attention: Proxy Department, 100 University Avenue, 9th Floor, Toronto, Ontario, M5J 2Y1, prior to 10:00 a.m. (Vancouver time) on Friday, July 12, 2019, or, if the Meeting is adjourned or postponed, not less than 48 hours, excluding Saturdays, Sundays, and holidays, before the time of the Meeting.

NON-REGISTERED HOLDERS

Only registered Shareholders or duly appointed proxyholders are permitted to vote at the Meeting. Most Shareholders are non-registered Shareholders because the Shares they own are not registered in their names but are instead registered in the name of the brokerage firm, bank or trust company through which they purchased the Shares. More particularly, a person is not a registered Shareholder in respect of Shares which are held on behalf of that person (the “**Non-Registered Holder**”) but that are registered either: (a) in the name of an intermediary (an “**Intermediary**”) that the Non-Registered Holder deals with in respect of the Shares (Intermediaries include, among others, banks, trust companies, securities dealers or brokers and directors or administrators of self-administered RRSPs, RRIFs, RESPs and similar plans); or (b) in the name of a clearing agency (such as CDS Clearing and Depository Services Inc.) of which the Intermediary is a participant. In accordance with the requirements of NI 54-101, the Company has distributed copies of the Notice of Meeting and the form of proxy or proxy authorization form (as defined below) (collectively, the “**Meeting Materials**”) to the clearing agencies and Intermediaries for onward

distribution to Non-Registered Holders. Management of the Company does not intend to pay for Intermediaries to forward to objecting beneficial Shareholders the Meeting Materials required under NI 54-101. An objecting beneficial Shareholder will not receive such materials unless he/she assumes the cost of delivery of such materials.

Intermediaries are required to forward the Meeting Materials to Non-Registered Holders unless a Non-Registered Holder has waived the right to receive them. Very often, Intermediaries will use service companies to forward the Meeting Materials to Non-Registered Holders. Generally, Non-Registered Holders who have not waived the right to receive Meeting Materials will either:

- (a) be given a form of proxy **which has already been signed by the Intermediary** (typically by a facsimile, stamped signature), which is restricted as to the number of Shares beneficially owned by the Non-Registered Holder but which is otherwise not completed. Because the Intermediary has already signed the form of proxy, this form of proxy is not required to be signed by the Non-Registered Holder when submitting the proxy. In this case, the Non-Registered Holder who wishes to submit a proxy should otherwise properly complete the form of proxy and **deposit it with Computershare** as provided above; or
- (b) more typically, be given a voting instruction form that is not signed by the Intermediary, and which, when properly completed and signed by the Non-Registered Holder and returned to the Intermediary or its service company, will constitute voting instructions (often called a “**proxy authorization form**”) that the Intermediary must follow. Typically, the proxy authorization form will consist of a one page pre-printed form. Sometimes, instead of the one page pre-printed form, the proxy authorization form will consist of a regular printed proxy form accompanied by a page of instructions that contains a removable label containing a bar-code and other information. In order for the form of proxy to validly constitute a proxy authorization form, the Non-Registered Holder must remove the label from the instructions and affix it to the form of proxy, properly complete and sign the form of proxy and return it to the Intermediary or its service company in accordance with the instructions of the Intermediary or its service company.

In either case, the purpose of this procedure is to permit Non-Registered Holders to direct the voting of the Shares that they beneficially own. Should a Non-Registered Holder who receives one of the above forms wish to vote at the Meeting in person, the Non-Registered Holder should strike out the names of the Management Proxyholders in the form and insert the Non-Registered Holder’s name in the blank space provided. In either case, Non-Registered Holders should carefully follow the instructions of their Intermediary, including those regarding when and where the proxy or proxy authorization form is to be delivered.

REVOCATION OF PROXY

In addition to revocation in any other manner permitted by law, a registered Shareholder who has given a proxy may revoke it by:

- (a) signing a proxy bearing a later date or signing and dating a written notice of revocation (in the same manner as the proxy is required to be executed as set out in the notes to the proxy), and depositing it at the time and place specified above for the proxy; or
- (b) registering in person with the Scrutineer at the Meeting and voting the Shares.

A revocation of proxy will not affect a matter on which a vote is taken before the revocation.

EXERCISE OF DISCRETION BY PROXYHOLDER

The Shares represented by a properly executed proxy or proxy authorization form will be voted for or against in accordance with the instructions of the Shareholder on any vote that may be called for, and, if the Shareholder specifies a choice with respect to any matter to be acted upon at the Meeting, the Shares represented by properly executed proxies will be voted accordingly.

In the absence of any instructions to the contrary, the Shares represented by proxies or proxy authorization forms received by management of the Company will be voted FOR the approval of all matters set out in the proxy or proxy authorization form.

The enclosed form of proxy confers discretionary authority upon the persons named therein with respect to amendments or variations to the matters identified in the Notice of Meeting and with respect to other matters which may properly come before the Meeting. At the date of this Information Circular, management of the Company knows of no such amendments, variations or other matters to come before the Meeting other than the matters referred to in the Notice of Meeting. If any other matters do properly come before the Meeting, it is intended that the person appointed as proxy shall vote on such other business in such manner as that person then considers to be proper.

2. VOTING SECURITIES AND PRINCIPAL HOLDERS OF VOTING SECURITIES

The Company's board of directors (the "**Board of Directors**" or the "**Board**") has fixed the close of business on June 3, 2019, as the record date for the Meeting (the "**Record Date**"). As of the Record Date, the authorized share capital of the Company consists of an unlimited number of Shares. As of June 3, 2019, the Company had outstanding 84,469,317 Shares, each carrying the right to one vote at the Meeting. The Company has no other class of voting securities.

The presence, in person or by proxy, of any one Shareholder is necessary for a quorum at the Meeting. Only Shareholders of record at the close of business on the Record Date, who either attend the Meeting personally or complete and deliver a form of proxy in the manner and subject to the provisions described above, will be entitled to vote their Shares or to have their Shares voted at the Meeting. The failure of any Shareholder to receive notice of the Meeting does not deprive the Shareholder of the right to vote at the Meeting.

Voting at the Meeting will be by a show of hands, each Shareholder having one vote, unless a poll is requested or required (if the number of Shares represented by proxies that are to be voted against a motion are greater than 5% of the votes that could be cast at the Meeting), in which case each Shareholder is entitled to one vote for each share held. In order to approve a motion proposed at the Meeting, a majority of greater than 50% of the votes cast will be required (an "**ordinary resolution**") unless the motion requires a special resolution in which case a majority of 66 2/3% of the votes cast will be required.

To the knowledge of the directors and executive officers of the Company, the following table lists all persons or entities who beneficially own, directly or indirectly, or exercised control or direction over, Shares carrying 10% or more of the voting rights attached to all outstanding Shares.

Beneficial Owner	Shares	Percentage of outstanding Shares
Altius Minerals Corporation	11,464,875	13.59%
Global Strategic Management Inc. d/b/a Adrian Day Asset Management	11,520,399	13.64%

3. ELECTION OF DIRECTORS

The size of the Company’s Board is currently set at four. Each director elected will hold office until the conclusion of the next annual general meeting of the Company at which a director is elected, unless the director’s office is earlier vacated in accordance with the constating documents of the Company or the provisions of the *Business Corporations Act* (British Columbia) (the “Act”), as applicable.

The Company's Articles require that advance notice be provided to the Company in circumstances where nominations of persons for election to the board are made by Shareholders of the Company other than pursuant to a requisition of a meeting of Shareholders made pursuant to the provisions of the Act or a shareholder proposal made pursuant to the provisions of that Act. The Articles fix a deadline by which Shareholders must submit nominations to the Company prior to any annual or special meeting of Shareholders and sets forth the minimum information that a Shareholder must include in the notice to the Company for the notice to be in proper written form. As of June 7, 2019, the Company had not received any nominations. A copy of the Articles have been filed under the Company's profile at www.sedar.com.

4. APPOINTMENT AND REMUNERATION OF AUDITORS

At the Meeting, Smythe LLP, Chartered Professional Accountants, of Vancouver, British Columbia will be recommended by management of the Company for reappointment as auditors of the Company at remuneration to be fixed by the directors. Smythe LLP, Chartered Professional Accountants was appointed as the Company's auditors effective January 5, 2011.

UNLESS THE SHAREHOLDER HAS SPECIFIED IN THE ENCLOSED FORM OF PROXY THAT THE SHARES REPRESENTED BY SUCH PROXY ARE TO BE VOTED AGAINST THE APPOINTMENT AND REMUNERATION OF THE AUDITOR, PROXIES HELD BY MANAGEMENT NOMINEES WILL BE VOTED IN FAVOUR OF SUCH MATTER.

5. APPROVAL OF STOCK OPTION PLAN

The Company's current stock option plan (the "**2018 Plan**") is a 10% "rolling plan" in compliance with the requirements of TSX Venture Exchange (the "**Exchange**") Policy 4.4 *Incentive Stock Options* ("**Policy 4.4**"). The Board adopted the 2018 Plan on June 8, 2018 and was subsequently approved by Shareholders at its July 16, 2018 annual general meeting. Pursuant to Policy 4.4, Shareholders are required to approve on a yearly basis stock option plans which have a "rolling plan" ceiling. Under the 2018 Plan, the Company may grant stock options pursuant to which common shares may be purchased by directors, officers, employees and consultants of the Company up to a maximum of 10% of the issued and outstanding capital of the Company.

The following is a summary of the principal terms of the 2018 Plan.

The 2018 Plan provides that stock options may be granted to directors, officers, employees and consultants of the Company, as such terms are defined in Policy 4.4.

The 2018 Plan is administered by the Company's Board.

The 2018 Plan provides for the issuance of stock options to acquire up to that number of the Company's common shares (the "**Plan Ceiling**") equal to 10% of the Company's issued and outstanding share capital as at the date of grant, subject to standard anti-dilution adjustments. This is a "rolling" Plan Ceiling as the number of common shares reserved for issuance pursuant to the grant of stock options will increase as the Company's issued and outstanding share capital increases. The Plan Ceiling includes outstanding stock options granted prior to the implementation of the 2018 Plan. If a stock option expires or otherwise terminates for any reason, the number of common shares in respect of that expired or terminated stock option shall again be available for the purposes of the 2018 Plan.

The 2018 Plan may be amended or terminated by the Board at any time, but such amendment or termination will not alter the terms or conditions of any option awarded prior to the date of such amendment or termination. Any stock option outstanding when the 2018 Plan is amended or terminated will remain in effect until it is exercised or expires or is otherwise terminated in accordance with the provisions of the 2018 Plan.

The 2018 Plan provides that other terms and conditions, including vesting provisions, may be attached to a particular stock option, at the discretion of the Board. All stock option grants are to be evidenced by the execution of an option agreement, substantially in the form attached as Schedule 1 to the 2018 Plan.

The exercise price of the stock options granted under the 2018 Plan shall be as set by the Board, but shall not be less than the discounted market value of the common shares on the date of the grant, in accordance with the policies of the Exchange.

The 2018 Plan provides that it is solely within the discretion of the Board to determine to whom stock options should be granted and in what amounts. The Board may issue a majority of the options to insiders of the Company. However, the number of common shares which may be reserved for issuance pursuant to stock options granted to insiders of the Company under the 2018 Plan, together with all of the Company's other previously established or proposed share compensation arrangements, in aggregate may not exceed 10% of the total number of issued and outstanding common shares on a non-diluted basis. Further, the number of common shares which may be issuable under the 2018 Plan, together with all of the Company's other previously established or proposed share compensation arrangements:

- (a) to insiders of the Company, in aggregate, shall not exceed 10% of the outstanding common shares;
- (b) to any one optionee, other than to a consultant or employees providing investor relations activities shall not exceed 5%, in aggregate, of the outstanding common shares in any 12 month period on a non-diluted basis;
- (c) to any one consultant to the Company, shall not exceed 2%, in aggregate, of the outstanding common shares in any 12 month period; and
- (d) all such persons of the Company providing investor relations activities (as defined by the policies of the Exchange), in aggregate, shall not exceed 2%, in aggregate, of the outstanding common shares in any 12 month period.

A stock option may be granted for a period of up to ten years from the date of the grant. If the optionee resigns or is terminated other than for cause, all unexercised stock options previously granted to such optionee will expire after 90 days. If the optionee was providing investor relations services to the Company, then the stock options will expire after 30 days. All unvested stock options will be cancelled immediately. If an optionee is terminated for cause, all stock options expire immediately.

Management of the Company will ask the Shareholders to approve the following resolution at the Meeting:

"BE IT RESOLVED AS AN ORDINARY RESOLUTION that, subject to regulatory approval:

- (a) the Company's stock option plan (the "2018 Plan") be and is hereby re-adopted and re-approved;
- (b) the Company be authorized to grant stock options pursuant and subject to the terms and conditions of the 2018 Plan, entitling the option holders to purchase up to that number of common shares that is equal to 10% of the issued and outstanding common shares of the Company as at the time of the grant; and
- (c) the directors and officers of the Company be authorized and directed to perform all such acts and deeds and things and execute, under the seal of the Company or otherwise, all such documents, agreements and other writings as may be required to give effect to the true intent of these resolutions."

MANAGEMENT RECOMMENDS THAT THE SHAREHOLDERS VOTE IN FAVOUR OF THE RE-APPROVAL OF THE 2018 PLAN. UNLESS THE SHAREHOLDER HAS SPECIFIED IN THE ENCLOSED FORM OF PROXY THAT THE SHARES REPRESENTED BY SUCH PROXY ARE TO BE VOTED AGAINST THE RE-APPROVAL OF THE 2018 PLAN, PROXIES HELD BY MANAGEMENT NOMINEES WILL BE VOTED IN FAVOUR OF SUCH MATTER.

6. CORPORATE GOVERNANCE

National Instrument 58-101 *Disclosure of Corporate Governance Practices* (“**NI 58-101**”) requires issuers to disclose the corporate governance practices that they have adopted and National Instrument 58-201 *Corporate Governance Guidelines* provides guidance on corporate governance practices. In addition, the Company is subject to National Instrument 52-110 *Audit Committees* (“**NI 52-110**”), which has been adopted in various Canadian provinces and territories and which prescribes certain requirements in relation to audit committees. A full description of each of the corporate governance practices of the Company with respect to NI 58-101 is set out below.

The Board of Directors’ responsibilities include strategic planning, appointing and overseeing management, succession planning, risk identification and management, environmental oversight, communications with other parties and overseeing financial and corporate issues. The Board believes that good corporate governance practices provide an important framework for timely response by the Board to situations that may directly affect Shareholder value. The Board has adopted a Corporate

Governance Policy which includes several guidelines for disclosure controls and procedures, and trading policies. These policies are posted on the Company’s website at www.evrimeresources.com.

Board of Directors

The Board must have the capacity, independent of management, to fulfill its responsibilities. Independence is based upon the absence of relationships and interests that could compromise the ability of a director to exercise judgment with a view to the best interests of the Company. The Board is responsible for determining whether or not each director is an independent director. To do this, the Board analyzes all the relationships of the directors with the Company and its subsidiaries.

The following directors are considered to be independent: David A. Caulfield, Paul van Eeden, and John Thompson. J. Patrick Nicol, who is the President and Chief Executive Officer of the Company, is considered not to be independent. The Board takes specific precautions for any transactions that involve related parties or directors that are not independent. This is accomplished by having a meeting of independent directors with no management representatives present. The Chairman of the Board also acts as Chair of this independent subcommittee. The Company’s legal counsel provides guidance on documenting the decisions and actions of the independent directors. Alan J. Hutchison of Osler, Hoskin & Harcourt LLP, is the Company’s legal counsel. He is a practicing barrister and solicitor in British Columbia.

Directorships

Directors of the Company are not directors of any other reporting issuers as of the date of this Information Circular.

Orientation and Continuing Education

New directors of the Company are provided with an orientation and education program which includes written information about the duties of directors and the business and operations of the Company. New directors are provided with opportunities to meet with each senior officer of the Company to have their questions answered or to obtain additional information. On an ongoing basis, the Company’s legal counsel will provide memoranda concerning particular issues that may be of concern to the Board.

Ethical Business Conduct

The Board has found that the fiduciary duties placed on individual directors by the Company's governing corporate legislation, common law, and the restrictions placed by applicable corporate legislation on an individual director's participation in decisions of the Board, in which the director has an interest, have been sufficient to ensure that the Board operates independently of management and in the best interests of the Company. The Company has adopted a Code of Conduct which encourages ethical business practices for all employees, officers and directors.

Nomination of Directors

The size and current membership of the Board of Directors is reviewed each year prior to the directors making any recommendations to the Shareholders in respect of the election of the Board at the annual meeting of the Shareholders. Nominations to the Board are made after taking into account the number of directors required to carry out the Board's duties effectively and the need to maintain the Board's diversity of views and experience. Prior to appointing any new director or recommending any new nominee for election to the Board, a Nominating Committee of the Board will be struck to identify prospective Board members and interview each candidate to determine his or her area of expertise and qualifications to serve as a director of the Company.

Compensation

The Board has determined that the compensation of directors and officers should be comparable to similar organizations taking into consideration such matters as time commitment, responsibility and trends in director and executive compensation. For more information regarding compensation paid to directors and executives, see *"Executive Compensation"*.

Other Board Committees

There are no standing committees of the Board other than the Audit Committee and the Compensation Committee.

The Audit Committee is the Company's primary standing committee of the Board. The Audit Committee reviews four times per year the accounting policies, internal control procedures and provide the Company's external auditors with instructions. The majority of the members of the Audit Committee are independent members of the Board and all are financially literate. See *"Audit Committee and Relationship with Auditors"* below for additional information about the Audit Committee.

The Compensation Committee is composed of three independent directors of the Board. The Compensation Committee meets at least on an annual basis to review management performance and compensation. Recommendations from the Compensation Committee are referred to the entire Board of Directors at the budget review meeting for approval. The Compensation Committee reviews the goals and objectives for the Chief Executive Officer's performance.

Assessments

The Board takes responsibility for monitoring and assessing its effectiveness and the performance of individual directors, and its committees, including reviewing the Board's decision-making processes and quality and adequacy of information provided by management.

7. AUDIT COMMITTEE AND RELATIONSHIP WITH AUDITORS

NI 52-110 requires the Company, as a venture issuer, to disclose annually in its Information Circular certain information concerning the constitution of its Audit Committee and its relationship with its independent auditors, which is set forth below.

The Audit Committee's Charter

The Company's Audit Committee has adopted an Audit Committee Charter, attached as Appendix "A", which includes the following significant responsibilities as responsibilities of the Audit Committee:

- reviewing the appointment of the Company's Chief Financial Officer;
- reviewing the adequacy and effectiveness of the Company's systems of internal control and the adequacy and timeliness of its financial reporting processes;
- reviewing all financial disclosure prior to filing or distribution;
- reviewing the Company's financial reporting and accounting standards and principles and significant changes in such standards or principles;

8. EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

The purpose of this Compensation Discussion and Analysis is to provide information about the Company’s executive compensation objectives and processes and to discuss compensation decisions relating to its named executive officers (“**Named Executive Officers**”) listed in the Summary Compensation Table that follows. During its financial year ended December 31, 2018, four individuals were Named Executive Officers (as defined in Canadian Securities Laws) of the Company, namely J. Patrick Nicol, President and Chief Executive Officer, Mahesh Liyanage, Chief Financial Officer, Charles Funk, Vice President New Opportunities and Exploration and Stewart Harris, Vice President Technical Services.

Compensation Objectives, Principles and Process

The Company has determined that the officers and employees of the Company should be compensated in a form and amount that takes into account such factors as professional qualifications, responsibility within the organization, and trends in executive compensation. The Company conducted a survey of compensation data, as disclosed in financial statements or information circulars, for selected companies with similar business models, at similar stages of development and with similar resources available to them. Specific companies considered in this survey were Almadex Minerals Ltd., Avrupa Minerals Ltd., Eagle Plains Resources Ltd., Eurasian Minerals Inc., Lara Exploration Ltd., Millrock Resources Inc., Outcrop Gold Corp., Mirasol Resources Ltd. and Riverside Resources Inc. This data was used to determine appropriate levels of compensation for fiscal 2018.

The compensation package for each Named Executive Officer of the Company consists of a base salary, vacation commensurate with years of service, benefits available to all employees of the Company, an annual bonus based upon the Company’s success in executing the joint venture model of mineral

exploration and stock options. The Compensation Committee of the Board determines the compensation for the Chief Executive Officer and provides recommendation to the Chief Executive Officer for other executive officers. The Chief Executive Officer, in consultation with the Chief Financial Officer, determines compensation of staff members who are not executive officers.

It is difficult to assess appropriate performance targets for an exploration company, since the projects change within the fiscal year and success in exploration can be as much a function of the geology and project circumstances as it is the result of personal effort. The Compensation Committee determined that the Company's success in negotiating and managing joint venture or option agreements for mineral properties would represent the best standard for determining short and long-term incentive programs. The incentive program will be reviewed on an annual basis by the Compensation Committee to ensure that compensation remains competitive with industry standards.

Annual bonuses for all staff are based on company metrics from joint venture exploration, option payments, and joint venture management fees. The total bonus pool is based on a percentage of annual expenditures by joint venture partners as evidenced by invoices where the Company is the operator or expenditure reports where the Company is not the operator. Option payments and management fees are based on actual receipts. The distribution of the bonus pool is based on an annual assessment of employees' Key Performance Indicators (KPIs). Employees receiving perfect scores will receive a full bonus, weight ranked against other employee salaries. Residual amount for employees not receiving perfect scores will be distributed to other employees in the Company, based on their weighted annual salary.

The Company's 2018 Plan allowing for the issuance of up to 10% of issued and outstanding common shares as options to purchase common shares in the capital of the Company. The Board adopted the 2018 Plan on June 8, 2018 and was subsequently approved by Shareholders at its July 16, 2018 annual general meeting.

The Compensation Committee is charged with the responsibility of reviewing the performance of the Chief Executive Officer on an annual basis, assisting with goal-setting and measurement of performance with respect to those goals, which are an integral part of the Company's overall compensation program.

Neither the Board nor any of its Committees have considered the implications of risk associated with the Company's compensation policies and practices.

No Named Executive Officer or Director is permitted to purchase financial instruments, including, for greater certainty, prepaid variable forward contracts, equity swaps, collars, or units of exchange funds, that are designed to hedge or offset a decrease in market value of equity securities granted as compensation or held, directly or indirectly, by the Named Executive Officer or director.

The Committee shall meet separately with each of management and the independent auditor, as required, to discuss matters that the Committee, or these groups, believe should be discussed privately with the Committee. Additional meetings shall be held as required in the opinion of the Audit Committee or the external auditor. Minutes of all meetings of the Committee will be provided to the Board. Written or verbal reports on Committee meetings whose minutes have not been completed will be provided at each meeting of the Board.

5.2 REVIEW OF FINANCIAL STATEMENTS

Prior to releasing to the public, the Committee will review and approve the company's annual and quarterly reports, including the financial statements, the management discussion and analysis reports and other information contained therein, in detail with the company's Chief Executive Officer and Chief Financial Officer. The company's external auditors may be present at these meetings.

5.3 REVIEW OF THE CEO AND CFO CERTIFICATION PROCESS

The Committee will review the company's process for the CEO and CFO certifications required by the various regulatory agencies in the jurisdictions in which the company operates with respect to the company's financial statements, disclosures and internal controls, including any significant changes or deficiencies in such controls. The Chairperson of the Committee or his appointee shall review the company's disclosure controls and procedures.

5.4 REVIEW OF INFORMATION PROVIDED TO ANALYSTS AND RATING AGENCIES

The Committee shall review other news releases containing significant financial information that has not been previously released to the public with the company's Chief Financial Officer prior to their release. The substance of presentations to analysts and rating agencies involving material changes in the company's strategy or outlook shall be reviewed with the full Board prior to the event.

5.5 APPROVAL OF AUDIT AND NON-AUDIT SERVICES

In addition to approving the engagement of the external auditor to audit the company's financial statements, the Committee will approve all audit, non-audit and assurance services provided by the independent auditor prior to the commencement of any such engagement. The Committee may delegate the responsibility for approving these services to the Chairperson or his appointee where the fee is not significant. The Committee will review a summary of all audit, non-audit and assurance work performed for the company at least twice per year. To minimize relationships that could impair the independence of the external auditor, it is the Committee's practice to limit non-audit and assurance services provided by the independent auditor to assistance with financings, taxation, acquisition due diligence and merger integration or other services where there are compelling reasons for the external auditor to provide such services.

5.6 HIRING GUIDELINES FOR EMPLOYEES OF THE INDEPENDENT AUDITOR

The Committee shall review and approve the appointment of any employee or former employee of the company's external auditor to a senior financial management position with the company. The Committee shall request management to annually prepare a report of the profiles of all individuals hired during the past year who were employed by the external auditor at any time during the two years prior to being hired by the company.

5.7 COMPLAINTS ABOUT ACCOUNTING, AUDITING AND FINANCIAL REPORTING AND DISCLOSURE MATTERS

The company's Whistle Blower policy prohibits reprisals or intimidation of employees who draw attention to problems or violations of ethical standards. Employees can report any concerns to their superior or the company's legal counsel, confidentially and anonymously. Employees may also submit, confidentially and anonymously, concerns regarding questionable accounting, auditing and financial reporting and disclosure matters to the Chairperson of the Audit Committee. A summary of all complaints related to auditing, accounting and financial reporting and/or disclosure matters will be reported to the Committee at each meeting, and if the Committee so directs, to the full Board. The Committee may retain outside counsel or other advisors to investigate and resolve any complaints disclosed to it.

5.8 OTHER MATTERS

Management shall report any real or suspected incidents of fraud, theft or violations of the Company's Code of Ethics to the Committee. Corporate Counsel shall report to the Committee any litigation, claim or other contingency that could have a significant effect on the company's financial results or disclosures.
